<p>Committee Breakout (40 minutes)</p>	<p>1. Legislative Breakfast Challenges of coming up w/ a message Possible messages: "Thank you"; Born learning trails Maybe invite Karen Crompton to next PIC committee meeting in November</p> <p>2. Family Support</p> <p>3. Mental Health Trying to come up w/ a screening tool Want to present it to early intervention agencies Utah County will pay for training & packets Come up w/ a diagnosis program that would help alleviate the stigma against mental health; help parents & children understand the health problem so they understand</p>	<p>Julia Mohr</p> <p>?? (no chairman)</p> <p>Brenda Chabot</p>
<p>Adjourn <i>Next committee meeting</i> Thurs, Nov. 13, 2008 United Way Conference Room</p>		

PIC decisions that have already been made

1. Focus on *Family Support*
 - a. make 211 more available and more family friendly
 - i. increase community awareness
 - ii. Increase interpartnership
 - iii. Make more user friendly (e.g. 211 in phone book, Google hit, update partnerships)
2. Focus on *Mental Health*
 - a. caregivers of young children in Provo, South County who are in need will know how to utilize mental health services available
 - i. identify best practices/a universal screening tool for all agencies to all caregivers of young children
 - ii. Increase awareness of other agencies' acceptance criteria
 - iii. Increase available services in geographical areas that are lacking
3. Installed 2 Born Learning trails that were sponsored by PIC. (There are 7 altogether in Utah County, sponsored by other agencies or private donors.
4. Legislative Breakfast, Wednesday, 8:30-11am, February 18, 2009
