PIC decisions that have already been made

1. Focus on *Family Support*
 - a. make 211 more available and more family friendly
 - i. increase community awareness
 - ii. Increase interpartnership
 - iii. Make more user friendly (e.g. 211 in phone book, Google hit, update partnerships)
2. Focus on *Mental Health*
 - a. caregivers of young children in Provo, South County who are in need will know how to utilize mental health services available
 - i. identify best practices/a universal screening tool for all agencies to all caregivers of young children
 - ii. Increase awareness of other agencies' acceptance criteria
 - iii. Increase available services in geographical areas that are lacking
3. Installed 2 Born Learning trails that were sponsored by PIC. (There are 7 altogether in Utah County, sponsored by other agencies of private donors.
4. Legislative Breakfast, Wednesday, 8:30-11am, February 18, 2009
